

# 7 Tartars in L. A. Track Meet Tomorrow

## FAST TIMES MADE BY ALL TORRANCE BOYS IN PRELIMS

Seven Torrance high tracksters will compete for the honor and glory of their alma mater tomorrow (Friday) afternoon in the All-City track and field finals to be held at the Los Angeles Coliseum. The seven qualified last Saturday in the preliminary events—four of them in the fastest times of the meet.

Johnny Hall, altho bothered by a cold, had no difficulty in out-distancing his mile rivals in the last 100 yards. He won by more than 15 yards going away.

Coach Pete Zamperini's only other varsity contender will be Bill Stewart, who placed among the first ten in the high jump preliminary that was halted when the ten reached 6 ft. 1 in. Stewart's best leap was his Marine League record jump of 6ft. 6 1/2 in. last month.

**Set School Records**  
Three Class B runners from Torrance qualified for the finals—Teruzo Hata in the 120-yard low hurdles, Lee Stecker in the 1,320-yard run and Eugene Hatter in the 660-yard dash. A stroke of bad luck—he hit the first high hurdle with his knee—robbed Cliff Trezise of chances to win that event and the Class B high jump. He injured his knee so badly he was unable to get up to the 5ft. 7in. mark in the jump that was the qualifying height.

Gerald McDonald made the Class C finals in the 660 and Bobby Golden will be in the pee-wee high jump event tomorrow afternoon. McDonald won his heat last Friday in the new school record time of 1:28.1—the fastest 660 heat of the preliminaries.

Hatter also won the fastest Class B 660 heat and won in 1:27—a new school record. Stecker was second by a yard in his 1,320-yard prelim event. This was won in 3:22.2, the fastest time in that event.

**Pirates Qualify Nine**  
San Pedro high school qualified nine trackmen for the All-City finals. Five were varsity men, one was a Class B athlete and three Coes became eligible.

Jim Banich and Dick Bauer will run in the 100, Herman Neighbors in the 800, Perry Allen in the mile and Homer Sims will be in the high jump. Bill Jonthoff qualified in the Class B 1320 with Iacano, Uyeda and Anouye qualifying in C events. San Pedro paced Marine League teams in qualifying varsity men with Torrance getting two, El Segundo two, Banning, two, Gardena two and Narbonne one.

### More Sons of Legion Qualify for N.R.A. Rifle Shoot Medals

Continuing their quest for the various marksmanship medals offered by the National Rifle Association Junior division, young members of the Torrance Sons of Legion squadron practiced Sunday on their range, which was formerly used by the police pistol club off Plaza del Amor. Firing under N.R.A. rules, Don J. Baxter and Sam Internelli scored enough points to win top marksmanship medals and Bobby Lewellen qualified for a marksmanship and marksmanship first class awards. The Sons will practice again Saturday afternoon, June 10, starting at 2 o'clock.

**ON DESERT TRIP**  
Mr. and Mrs. Otis Woolbert and Mr. and Mrs. Trygve Thorsen of Lomita are spending this week's vacation at Palm Springs and other desert points.

The finals will get under way at 2 o'clock. Admission is only 10 cents for adults as well as students. With 15,000 people present the local athletic club (three years champions) 40 strong, expect to do their stuff, and once again, bring the cup back to Torrance, Lomita and Harbor City.

The annual meet is sanctioned by the A.A.U. of America, and will be officiated by members of the organization. If you really would like to see a good track meet, and they have been scarce in the southland this year, attend this big Japanese meet Sunday.

### ALL-CITY FINALS TOMORROW AFTERNOON

Torrance high school, along with 30 or more Los Angeles Board of Education schools, will fight it out for the track and field championship of the district. The annual classic will be held in the Los Angeles Coliseum, and will be for the Class C varsity and B titles.

Coach Pete Zamperini's fighting Tartars were badly elbowed last week in the preliminaries, but the lads that are left will be in there fighting all the way for their coach.

Torrance's leather-lungers, should really go places tomorrow, with 14-year-old Gerald McDonald winning the Class C 660-yard dash, Eugene Hatter, taking the Class B 660 and Lee Stecker striding home for the lead for the 1,320. Then of course you must figure Blonde John Hall, mile state champion a first place in his favorite 1-lap event, for a new meet record. We will not forget, high-jumping Bill Stewart for a first in his event, with a place in the broad jump. Other lads left in the finals should account for a few second, third and fourth places. A large crowd of Torrance rooters, and friends are expected to attend the meet.

**Dean of "Who's Who" '96**  
A THENS, O. (U.P.) — Dr. Charles W. Super, 96-year-old ex-president of Ohio University, is the oldest living person included in "Who's Who."

### Baseball Centennial Celebration at Wrigley Field Friday Night

Baseball's 100th birthday will be celebrated at Wrigley Field tomorrow, (Friday) evening with one of the most elaborate programs ever to precede a Pacific Coast league ball game. Hollywood met Los Angeles this week in a seven game series that started Tuesday evening. Night games will be played thru Friday with an afternoon contest Saturday and a double header Sunday afternoon.

Gene Biscailuz, sheriff of Los Angeles county, is the chairman of the Baseball Centennial celebration. Music, floats and a comedy ball game will precede the Coast league battle.

Sheriff Biscailuz, accompanied by 12 trumpeters of the Sheriff's Boys Band will enter the left field gate at Wrigley Field at 8 p. m. Friday evening. He will be followed by Manager Harry Hannah, driving a carry-all, containing the Los Angeles players. Floats representing the Los Angeles Junior Chamber of Commerce, and various commercial institutions will parade in front of the grandstand and bleachers.

The Los Angeles Lodge No. 99 Elks band, and the Elks' Chanters, Whittier State School band, Sons of the Legion band and many others will be in the pageant. The Canoga Park Drum and Bugle Corps, consisting of 60 girls, also will hold a prominent place in the pageant.

There will be an introduction of surviving members of the 1903 Los Angeles baseball team, pennant winners of the Pacific Coast league, followed by a two inning ball game between teams dressed to represent the founding of baseball in 1839 and as it will be played 100 years from now.

### Giants Defeat T-L Merchants

By getting to Walt Morris in the seventh inning for three runs, the L. A. Colored Giants piled up enough scores last Sunday for a 6 to 1 win over the Torrance-Lomita Merchants here. Morris had allowed but one base hit during the first six cantos. The Merchants counted five blows off Carter.

The T-L club will take on the Jadrans in a night game tomorrow evening with DeHoag scheduled for mound duty. Joe Conroy, former Navy star, will be at short. On Sunday the Merchants have a date with the Peptosia nine here.

### Cafe's Liquor Licenses Suspended

On recommendation of William G. Bonnell, fourth district member, the State Board of Equalization has indefinitely suspended James C. Thompson's licenses for on-sale beer, wine and distilled spirits at the Buckeye Cafe, 1205 Border avenue. The board reported this week that it had received evidence showing the premises "were not conducted as a bona fide public eating place."

### FIVE COUNTY PICNIC

Former residents of Pueblo, Custer, Fremont, El Paso and Huertano counties of Colorado are invited to attend the picnic to be held at the city park, Redondo Beach, Sunday, June 11.

Only five more teams are needed to complete the schedule of tournament games.

The entries are: El Centro, Bank of America, March Field, Shell Athletic club, San Pedro Longshoremen, L. A. Carpenters' Union, U. S. Rubber, Illinois Cleaners of San Fernando, Peptosia, Torrance-Lomita Merchants and the winner of the district tournament to be held July 1 to 4 at Pismo Beach.
